Sourcing and importing products from China is quite easy nowadays. But small business importers always feel hard to find the right suppliers with good price & quality, when facing **1,000+** suppliers for same product in Alibaba.

When working with Jingsourcing, you will feel China importing can't be easier. A personal China sourcing agent helps you find the best manufacturer, customize your design packagings, follow up production, inspect quality and arrange shipment.

In the past 10 years, we've supported over **4,000** clients from all over the world. We always believe that if we help you succeed, we will succeed as well.

Free & Efficient Service

Most sourcing agents will charge upfront fee. It's totally free to let Jingsourcing help you source suppliers in China. You will get the best price from supplier in less than 2 working days.

1 vs 1 Service

You will have a professional agent from us, to help you find manufacturers, follow up production, and handle everything until you get all products.

Small Business Friendly

Sourcing companies usually serve experienced importers, but we dedicate to help small business since 2015. If you are able to invest over \$1,000 on importing products, our team will support you here in China.

Ecommerce Solution

We helped thousands of Amazon, Ebay, Shopify sellers grow times of their business. We offer complete solution including product labels, packaging, free product photos, shipping to Amazon, and more.
